This year has been a challenge for organisations to maintain a balance between the impacts of COVID-19 and keeping our people engaged. The theme for this conference is “Rethinking Reward” in line with the day to day reality for most of us. We hope you enjoy our wide array of speakers who will share their insights on how we can navigate these challenging times and what innovative ideas have emerged that can help us rethink the way we do Reward.

Due to our current situation with COVID we are holding this year's conference both at a venue and also streamed online. No matter what Alert Level we are in we are able to hold this valuable conference.
